

Dear Neighbour,

Hi, my name is _____, and I'm your next-door neighbour! I wanted to take a moment to personally invite you to come to church with me this Sunday. My family and I attend Gateway Church, and it has been such a meaningful and positive part of our lives.

In today's world, it's so important to feel connected to something greater than ourselves. Going to church has helped us build that connection with God, and it's given us guidance, peace, and purpose. It's a place where we feel supported, learn timeless values, and find hope for navigating life's challenges.

Church is not just for adults—it's also a wonderful environment for kids to grow and thrive. Studies show that children raised in a faith-based community are less likely to engage in risky behaviours like drug use or experience legal troubles. They also tend to grow up with strong moral principles that guide them in relationships and decision-making. While life is never without struggles, the teachings and community of a church can provide tools to navigate challenges with grace and perseverance.

Our church's motto is "Loving God and Loving People," and I can assure you that it's a friendly, welcoming place where you'll feel cared for and supported. No matter what you're going through in life, you will feel welcome at my church.

As a special gesture for every newcomer who visits Gateway Church, we make a donation to CHEO (Children's Hospital of Eastern Ontario) in your name. It's our way of giving back and celebrating you being with us. Additionally, our church provides a gift card to a local coffee shop here in town and a gift bag to welcome you to our church.

I'd love for you to join me this Sunday! Gateway Church is located at 128 Mary St. in Arnprior. We have two services: one at 9 AM with childcare and another at 11 AM without childcare.

If you have any questions or just want to chat about church or faith, please feel free to reach out to me. You can call or text me at [Phone Number] or email me at [Email Address].

Looking forward to connecting with you!

Blessings,
